

## What's new to CarTeck garage doors?

NEW!

### Sectional Garage Doors

- ✓ **Bottom rubber seals have a new design**  
As you can see in the comparison to the right, the new design is wider for a more forgiving seal between the door and the threshold. See page 9 of the brochure.
- ✓ **XL garage doors**  
XL sectional garage doors extend the available size of our standard sectional doors without the need to jump to SuperSize. Sizes from 5501mm to 6250mm wide by 2500mm high. See pages 42 - 45 of the brochure and page 7 of the price list.
- ✓ **Manual locking brass or stainless steel-effect handle upgrade**  
Black not what your customer is looking for? Choose from brass or stainless steel effect handle upgrades on our sectional garage doors' manual locking handles. See page 4 of the price list.
- ✓ **Increased range of spares for the CarTeck MOTOR & DRIVE**  
The extended range includes things like additional top panel brackets. See the back page of the price list.

Old New

### Side Hinged Garage Doors

- ✓ **Matching fixed side panels for side hinged garage doors**  
A great solution for big openings where your customer wants a side hinged garage door to replace a double up and over garage door - They are also available with windows! See page 57 of the brochure and page 12 of the price list.

### All Garage Doors

- ✓ **6 NEW Trend Satin colours**  
Trend Satin Colours have a 10% gloss level (hence the name "Satin") compared to the 30% gloss level of Trend and Trend+ colours - Ideal for when your customer is looking for a softer finish! Available on Sectional & Side Hinged garage doors - See pages 24 - 31 & 58 - 69 in the brochure and pages 5, 10 & 11 of the price list.
- ✓ **Colour matched trims for Trend+, Trend Satin & RAL doors**  
For neat, tidy AND matching finishing off, colour matched trims are now available for Trend+, Trend Satin & RAL color! Get everything you need for the perfect install from Teckentrup! See the back page of the price list.
- ✓ **Painting of internal face of door panels to match exterior colour**  
Matching inside and out! All garage doors come in a practical grey-white stucco texture (RAL 9002) on the inside, now you have the option to colour the inside of the door to match the outside. See page 4 & 12 of the price list.
