Specification

- 40mm thick CarTeck insulated panels with an extruded aluminium perimeter frame and integral seals.
- The complete door has a U value of 2.30 W/m²K (2406 x 2240).
- Three aluminium surface mounted hinges per leaf.
- Extruded aluminium profile frame with mitred corners and integral seals.
- Doors are supplied with an aluminium strip threshold and friction door stays.
- Doors supplied open-out only. Right hand leading (viewed from outside), left hand leading as a no-cost option - specify when ordering.
- Frames and door leaf frames are available in smooth finish only.
- DIN standard CE marked European sashlock & pair of stainless steel round bar lever handles on 50mm diameter roses.
- A Euro-profile cylinder and thumb turn with stainless steel escutcheons is included as standard.
- Three keys are supplied with each cylinder.
- Classic polymer double glazed windows are 680mm wide x 370mm high for all door sizes, are clear glazed only and include black mock-lead effect lattice.

Colours

Where doors are exposed to direct sunlight, dark colours should be avoided.
RAL/BS references for colours are provided as a guide only to the nearest similar RAL/BS colour. Colours will not match to other RAL/BS finishes due to different coating processes, gloss levels, substrates and textures.
Colours shown are limited in accuracy by the printing process - samples should always be requested.
If you are matching to other finishes, always request a sample.
The door frame and window frame colour shade and surface lustre will show a variance from the panel finish as the base material and coating methods are different. Where differing materials and process are adopted their may be some colour matching variations. Differing light conditions may further reduce or highlight this effect.

All prices exclude VAT and delivery. For delivery charges see main price list.

DIMENSIONS AND CLEARANCES

Installation within the soffit

The section height and the height of the handle 'x' depend on the actual door height and construction of the door.
