HOW TO TAG TECKENTRUP IN YOUR FACEBOOK POST

It's really easy to tag Teckentrup in your latest install posts and we love to share your posts on our page. But! If you don't tag us, we won't see all your hard work!

1. Type the @ symbol in your post followed by teckentrupuk.
2. Whilst typing you will notice a drop down menu appear underneath your text.
3. From the drop down menu, click on 'Teckentrup UK LTD' with the blue logo - anything else is not us and we won't see your post!
4. The text will then highlight in blue to show the tagging is complete.

Once posted, the tagged text should appear in blue. Here's an example of a tagged post that's used the Teckentrup tag.

Happy tagging!
