

# THE FREE LED PROMO!

## CENTRE RIBBED SMOOTH ANTHRACITE GREY

2286mm w x 2125mm h

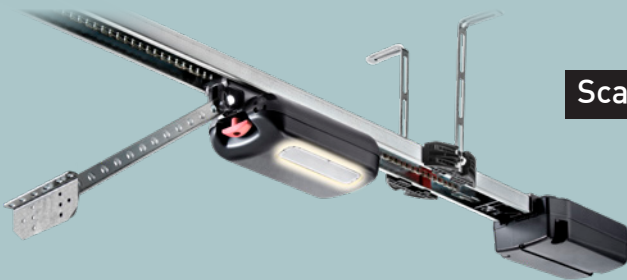

SAVE  
£246!  
+VAT

This CarTeck Insulated sectional garage door has all the convenience of remote control, dependable security, excellent energy-saving insulation...  
...and now comes with a brilliant FREE LED lighting pack to fill your garage with light!

BRILLIANT LIGHTING! - These clever LED strips are easily positioned on the door tracks with magnetic tape. They flood the garage with 6000 lumens of light (equivalent to around 400 watts of incandescent light!) Four linked LED strips are activated automatically by the kits' low light motion sensor or infra red remote control.

## CarTeck DRIVE<sup>Q</sup>

BRILLIANT REMOTE CONTROL! The CarTeck DRIVE range of remote control openers is second to none!
