

TECKENTRUP SCOTLAND

DELIVERY SCHEDULE

Sectional garage doors built from stock

Sectional garage doors built from stock have a 2-3 week lead time dependent on when your order falls in our two week delivery schedule.

2 week delivery cycle!

Orders placed on a delivery week

Order cut-off day
Order your door before 5pm on Wednesday.

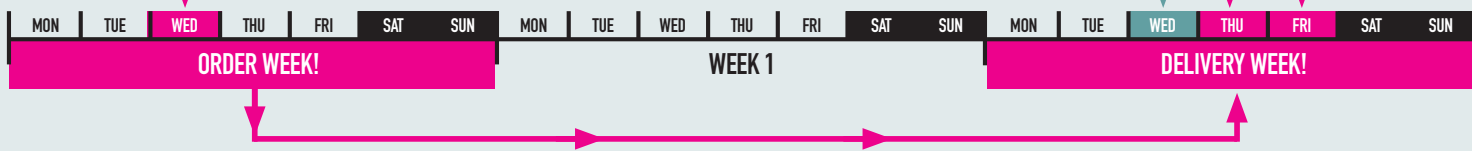

Wednesday of the delivery week

The CarTeck office will contact you with a delivery day (deliveries are made on Thursdays and Fridays) and provide an estimated time of delivery.

1 hour before your delivery is due

Our driver will call to confirm their expected time of arrival. In the case of a delay, the driver will provide an updated arrival time.

Orders placed on a non-delivery week

Order cut-off day
Order your door before 5pm on Wednesday.

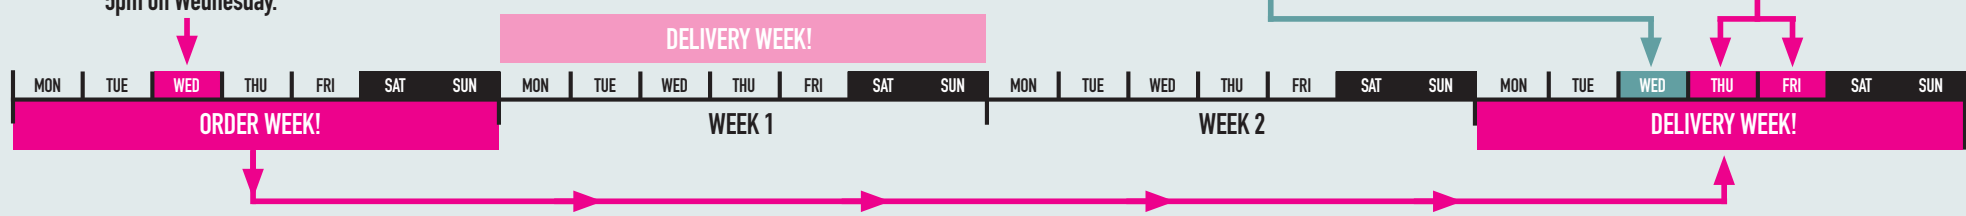

Wednesday of the delivery week

The CarTeck office will contact you with a delivery day (deliveries are made on Thursdays and Fridays) and provide an estimated time of delivery.

1 hour before your delivery is due

Our driver will call to confirm their expected time of arrival. In the case of a delay, the driver will provide an updated arrival time.
