

# SMART LOCK

**TECKENTRUP**  
DOOR SOLUTIONS

## Unlock on approach

You can set the smart lock to unlock as soon as you enter the unlock zone without even touching your phone.

## Lock behind you

Never wonder if you locked the door again. You can set how long the smart lock stays unlocked for before securing the door again.

## Send guest keys by phone

Not at home and need to let someone in? No problem, you can send a digital key for timed or permanent access straight to a guest's phone by text or email.

## Voice control

Operate via Alexa and Siri.

Easy to replace batteries too!

The smart lock inside...

...and outside - looks just like a normal lock!
